FACULTY

To the Class of 2007:

Congratulations to the class of 2007 for your many accomplishments. You represent what is truly significant about public education. Your achievements in the classroom, or the athletic fields, and in the diversity of extracurricular activities you have taken advantage of, have made us all extraordinarily proud. I encourage you to strive for the best and to exceed in every endeavor. Best wishes on your journey.

Dr. Francis J. Connor
Superintendent of Schools

"The future belongs to those who believe in the beauty of their dreams."

Eleanor Roosevelt

Dear Class of 2007:

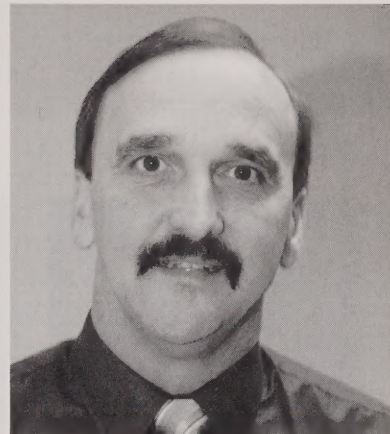

As a newcomer to your school, I feel fortunate to have met you and to have witnessed the many spirited traditions and activities that are unique to D-R. Individual as well as collective achievements have included extraordinary academic, athletic, and artistic events. Beyond these accomplishments, you have demonstrated genuine concern for others, your community, and the environment. You are well prepared for future challenges. Believe in yourself and accept any obstacles in the road as opportunities for learning. May you realize all of your hopes and never lose sight of your dreams.

Ms. Gail Van Buren
Principal

To the Class of 2007:

It's hard to believe that four good years have passed and all of you are ready to move on to your next set of goals. Each of you has shown great growth personally as well as academically, and socially. I am sure the values that have been instilled in you by your parents, relatives, friends, and faculty will serve you well as you enter the next challenging phase of your lives. I wish all of you continued success and happiness in whatever endeavors the future may hold for you. If there is any way I can be of help to you in the future, please contact me. Best wishes and congratulations to the class of 2007 on your graduation from Dighton-Rehoboth Regional High School.

Mr. Michael Cichon
Assistant Principal

To the Class of 2007:

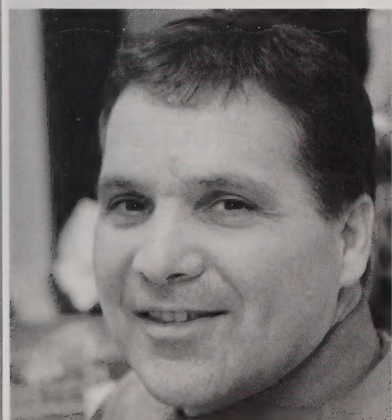

As the four-year journey of high school ends, you leave Dighton-Rehoboth wiser, brighter, and more mature than you were in the fall of 2003 when you walked in as unassuming freshmen. Indeed, it is ironic that you wait four years counting down to graduation, only to spend a lifetime waxing nostalgic about high school! It has been a privilege watching you grow and etch your place in the history books of Dighton-Rehoboth, and you will move on from here to accomplish many successes. I trust that you will take what you have learned from your teachers, administrators, coaches, advisors, friends, and experiences into the world and achieve greatness. Indeed, there is much for you to be excited about and proud of. The fireworks begin with graduation. Each diploma is a lighted match. Each one of you is a fuse. Best wishes and congratulations.

Mr. Michael Rubin
Assistant Principal

To the Class of 2007:

Graduation is about having accomplished a goal that was set for you four years ago. It is about moving on to the next phase of your life. Some of you will do so reluctantly, not knowing what the future holds in store for you; others will move forward with enthusiasm, welcoming the changes and challenges that will be put before you. In either case, take with you the knowledge and understanding that you have gained while you were a student at this high school. Hopefully, we have given you a foundation that you will need to succeed in the next phase of your life. Be it employment, the military, or college, continue to make the most of the opportunities that are put before you. To the Class of 2007, congratulations and best wishes.

Mr. F. Leon Sibielski
Director of Guidance

To the Class of 2007:

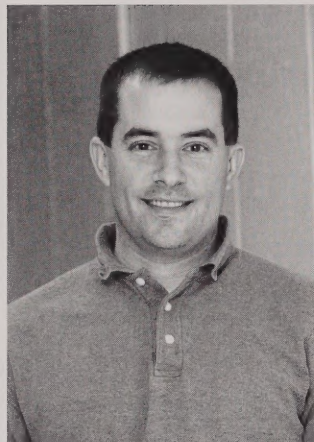

Congratulations to the class of 2007. You are moving on to new challenges and the next phase of your life's journey and I wish you the best. I know that you have been well prepared by your time here at D-R. Whether your decision involves college, technical school, or a career in the military, the lessons learned here will serve you well in the future. Enjoy the independence of adulthood with the positive attitude and work ethic you have demonstrated here over the past four years.

WITH THANKS AND BEST WISHES!

The class of 2007 would like to thank this year's retirees for their dedicated years of service to Dighton-Rehoboth. The knowledge and words of wisdom you have imparted will always remain with us. You will be greatly missed. Best wishes for a happy retirement!

Mr. Jeffrey Day
"It seems as if I just got here."

Mr. Edwin Ranney
"Carry on, colleagues."

Mr. Donald Murray

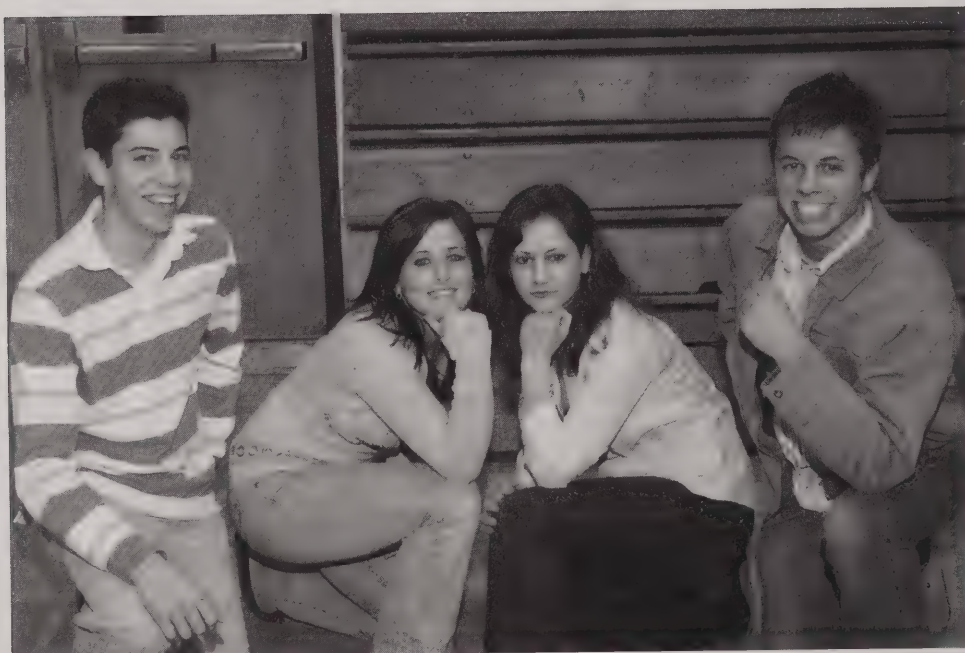

"It has been a pleasure and honor serving the students at D-R. I will miss my Marketing/DECA students and the great faculty and administration, but I will not miss getting up at 5:00 a.m. As for a quote, I always say on the first day of school to my Marketing/DECA class, 'DECA is my baby and I hope it becomes as important to you as it is to me.' I will also go down in history with the nickname: Donny DECA."

Mrs. Theresa Murphy

"Occupying a special place in my heart, Dighton-Rehoboth—its administration, faculty, staff and especially the students—has always been an extension of my family. When reflecting upon my 35 years at D-R, the term 'going to school,' rather than 'going to work,' comes to mind. The memories of Dighton-Rehoboth will forever remain with me. I will miss the classroom and I will miss you, D-R. I could never have chosen a better profession or a better place to teach."

This was the first year for the D-R Book Club. We started in January with a membership of about 15 students. We meet once a month, select a book to read, and over tea and deserts, discuss the book that was read during the previous month. This year we read, Hitchhiker's Guide to the Galaxy, Give a Boy a Gun, Les Miserables, and Kite Runner. We look forward to having new members join us next year.

FRIENDSHIP CLUB

In Friendship Club's first year, students volunteered to spend their free time eating lunch and socializing with students. Despite being the first year, it was very successful with many students giving their free time. D-R hopes to continue this club in the future and looks forward to gaining new volunteers.

Closing Remarks
James Oakley, Valedictorian

So, this is my editor's page huh? I've thought about it a lot and I'm still not exactly sure what to write. So I think I'm going to have to break tradition and do something a little different - what else is new? If the saying *a picture is worth a thousand words* is true, then this page says everything to me. Thanks guys. Best of luck.

Irreplacable...forever love.

A Final Word From the Editors...

To the Class of 2007,

The past four years have been quite memorable for all of us. The experiences we have encountered throughout our high school careers have forced us to grow and mature into young adults. I believe that D-R has more than prepared us for our next steps in life. Whether it be college, the military, or the work force, I believe we are all ready to face the challenges ahead.

As we move toward this next phase in our lives, I have some advice. Live life to the fullest. Embrace new opportunities. Take risks. Don't hold back. Never forget your memories of the past but look forward to the new memories you are going to create. Remember where you came from, and most of all BE YOURSELF!

The Class of 2007 is a very special class. The friends I have made and the relationships I have formed are incredible. I would like to thank all of my peers for helping me in finding and becoming who I am. The teachers here at Dighton-Rehoboth are some of the kindest, most caring people I have ever met. They have undoubtedly contributed to the success of our class and I cannot thank them enough for their support and generosity.

Good luck Class of 2007. You and Dighton-Rehoboth will always hold a special place in my heart. I will miss you and all the priceless memories we have made together! Keep in touch with your friends and always remember that Dighton-Rehoboth is your home!

Sincerely,

Olivia Gorab, Co-editor
